

WOLVERINEBRASS®

100 YEAR CARTRIDGE & FINISH WARRANTY

Wolverine Brass faucets are manufactured under our highest standards of quality and workmanship. Every faucet is 100% tested prior to boxing. Wolverine warrants the original purchaser that our faucets will be drip-free FOR 100 YEARS and all finishes excluding *oil rubbed bronze to be free from defects in material and workmanship FOR 100 YEARS. Wolverine will replace FREE OF CHARGE during the warranty period any cartridge or finish that proves defective under normal use and service. Defective cartridge or finish must be returned directly to Wolverine Brass for free replacement.

This warranty covers replacement of cartridges and finish only and does not include labor charges and/or damage incurred in installation. Finish warranty is not covered if finish is exposed to extreme use of cleaners containing abrasives, alcohol, extreme cleaning, chemical use, or damage due to abuse or neglect. **Please see cleaning instructions provided with each faucet. This warranty excludes all industrial, commercial, and business usage of faucets and only pertains to residential use. Faucets used for other than residential use are covered by a 1-year limited warranty from the date of purchase.

 WOLVERINEBRASS

CERAMIC DISC CARTRIDGES

53571

TWO HANDLE SHORT #53571

Fits: All two handle kitchen, 4" lavatory, bar, laundry, tub/shower and commercial wall mount faucets

- Washerless cartridge incorporating two polished ceramic discs that are very durable
- Cartridge body is constructed of fiberglass filled Noryl which is very durable and corrosion free
- Precise water flow is achieved with only quarter-turn from full-on to full-off

53576

TWO HANDLE SHORT w/CHECK VALVE #53576

Fits: All two handle 4" to 8" commercial wallmounts and deckmount faucets

- Washerless cartridge incorporating two polished ceramic discs that are very durable
- Cartridge body is constructed of fiberglass filled Noryl which is very durable and corrosion free
- Precise water flow is achieved with only quarter-turn from full-on to full-off

53572

TWO HANDLE LONG #53572

Fits: All widespread, mini-widespread, roman tub and three handle tub/shower fixtures

- Washerless cartridge incorporating two polished ceramic discs that are very durable
- Cartridge body is constructed of fiberglass filled Noryl which is very durable and corrosion free
- Precise water flow is achieved with only quarter-turn from full-on to full-off

85107W

SINGLE LEVER #85107W

Fits: All single handle kitchen, lavatory and old style (prior to January '09) wide body pressure balance fixtures

- Integrated hot limit adjustment stop
- 35mm smooth turning, single handle cartridge
- Incorporates polished ceramic discs
- Easy one way installation
- Two alignment posts makes it impossible to install incorrectly

85116W

PRESSURE BALANCE TUB/SHOWER #85116W

Fits: All single handle (compact body) pressure balance tub/shower valves. Also fits all new style wide body pressure balance tub/shower valves (after Jan. '09)

- Unique 1 piece 35mm ceramic disc cartridges with built-in stainless balancing spool assembly
- Integrated hot limit adjustment stop
- Smooth turning, single handle cartridge
- Easy one way installation
- Two alignment posts makes it impossible to install incorrectly
